 North Canton, Ohio 44720

PROFESSIONAL SUMMARY

Matilda Pablo, an up-and-coming singer-songwriter, is currently attending Kent State University for Music Technology. She is developing the skills of recording, producing, and engineering music. Aside from school, Matilda has performed live gigs across Northeast Ohio. Writing her own songs and performing covers of iconic songs, Matilda has brought joy to listeners wherever she goes. By learning how to develop music, she hopes to combine her performing abilities with the skill of producing a polished sound. Matilda hopes to use her versatile abilities as a musician to work behind the scenes in a studio, while also performing live.

SKILLS

Live performance for voice and guitar

Protools, Logic and Ableton knowledge

Piano and Music theory knowledge

Song structure and melody creation

Basic signal flow knowledge
